### SkarlatosZonarich LLC

**April 7, 2020**

The US Department of Labor issued a Regulation addressing the new leave provisions of the Families First Coronavirus Response Act or FFCRA as amended by The Coronavirus Aid, Relief, and Economic Security Act or CARES Act. The Regulation has the force and effect of law as of April 2, 2020. That Regulation can be accessed [here](#). We suggest you reference that Regulation for the most current interpretation for the six limited conditions under which those benefits are available. DOL previously issued a Model notice, which must be posted to inform workers of their new rights to partially paid school closure FMLA leave and up to 80 hours of Expanded Sick Leave. The Model Notice can be found [here](#).
